Nachricht von Quincy

Thank you for you purchase. If there is any issue with your item when it arrives please let me know. I will do my best to resolve the issue for you.

Please let me know if you're completely satisfied with the main features for your purchase - you might want to take another look at the description now - to reconfirm the following information for your it: Ring Size, Material and Metal Purity (14k, 18k, etc), Width or other relevant information. Let me know if you have any other questions or requests (such as engraving) for your band as well.

I hope your purchase will bring you years of enjoyment. Thank you so much for your support.
